

# SETTING WITH A CHARACTER OF ITS OWN

It has been said that places have a character of their own.

Select a city that has served as the setting for a text read during this unit.	City & Title
<p>What Character Traits describe this city?</p> <p>Include <i>at least</i> 2 specific quotes from the text.</p>	
<p>How would this story have changed if it was set in a rural location?</p>	

I can describe how setting is sometimes used as a character.
