

What Is Courage?

Procedure:

1. Students will individually (or within small groups) respond to the question above, by creating a mini-poster. Encourage students to include pictures or sketches of courageous characters.
2. Students will display their mini-posters around the classroom.
3. Students will complete the Chalkboard Splash Organizer (shown below) as they view their classmates' posters.
4. Wrap Up: Teacher will facilitate a debriefing session wherein students discuss the similarities, differences, and any surprises encountered during the Chalkboard Splash.
