

# My Librarian Is A Camel

## Important Ideas From Text

## My Thoughts, Feelings, & Questions

Why did you think the ideas you recorded from the text were important (left side)?

Was there anything in the reading that you didn't understand? How did you solve those problems?

What problems do you still have with what you read?

What do you think the author's purpose was for this text?

Has your perspective about the school library and access to library books changed?
