

Paired Readings

Objectives:

- Read grade-level fiction and non-fiction on the same topic.
- Describe connections between ideas and events within a text
- Identify similarities and differences between two texts on the same topic.
- Differentiate between books that tell stories and books that give information.

Procedure:

- Read books that are literary and informational on the same topic (ex: Rookie Bio & a Fictional Story).
- Discuss how reading a story about a historic person differs from reading a biography on that same person.
 - How are these books connected?
 - How is the main character different/same in the fictional story and the biography?
- Make a list of characteristics of each genre.
