

Partner Read

Objectives:

- Read grade level biographies with purpose and understanding.
- Read grade-level biographies with accuracy, appropriate rate, and expression on successive readings.
- Compare 2 individuals and describe the connection between them.

Procedure:

- Students choose an appropriately leveled biography to practice reading.
- Students practice reading their biographies independently, focusing on improving expression and fluency.
- Students will then read the biography to a partner.
- Partners will then discuss the biographies together.
- Partners will compare the 2 individuals (from the biographies)
