1. Come up with an interesting or descriptive **TITLE**
2. Write an **INTRODUCTION PARAGRAPH** that contains at least the following sentences:
 - **THESIS**
 - **Which 2 selections are you using?**
 - **Why is it interesting to see the differences?**
3. Paragraph 2 should focus on one particular example with a specific quote from each novel (2 quotes) showing 2 different representations. You should also add a wrap-up sentence explaining exactly what the differences were between the two separate representations.
4. Paragraph 3 should focus on another example with a specific quote from each novel (2 quotes) showing 2 different representations. You should also add a wrap-up sentence explaining exactly what the differences were between the two separate representations.
5. Write a **CONCLUSION PARAGRAPH** that contains at least the following sentences:
 - **Restated THESIS**
 - A sentence telling me which 2 selections were used for this essay
 - A sentence and clearly explaining why it is important to consider the perspective from which a person is writing

**Great writers may not use the exact words that I used.
Great writers will put the sentences provided into their own words.**
